\$300,000 FIRE IN IDAHO CITY

Filer Swept By Blaze, Almost Entire Business District Destroyed

FILER, Ida., Sept. 18.—Fire of undetermined origin wiped out practically the entire business district of Filer yesterday morning and caused loss estimated at \$300,000. The blaze started in the basement of the Filer Mercantile company but the cause is not known. Before any attempt to contain the flames could be made, it had spread to surrounding buildings and the entire town appeared to be burning. Smoke issuing from windows of the mercantile company building at 4 o'clock first attracted attention, and there was frantic effort to get personal property out of nearby buildings and from living rooms above the store.

With the flames gaining headway, Twin Falls and Buhl were notified and some equipment was sent from each town. Filer being midway between them on the Twin Falls branch of the Oregon Short Line.

There was an Oregon Short Line train in town and the crew pulled the cars to a safe distance and then returned, and with all of the hose available at the station, assisted in the fight to save the town.

Efforts to contain the flames were not effective on account of the low pressure of the water system, and the main buildings that were on fire before efforts to stop the blaze could be started were doomed. The first efforts were directed with success toward saving other buildings, including the lumber yard and the station, and in keeping the fire from spreading to the residence sections of the town.

Some of the buildings were still smoldering at noon today, but the force of the blaze was spent early this morning. The cause of the fire is being guarded today, however, to prevent any possibility of the fire gaining a fresh start. Efforts still are being made to discover the source of the fire. Many are of the opinion that it was of incendiary origin although no evidence to substantiate this theory has yet been produced.

"LOST" MAIL PILOT LANDS IN SALT LAKE

SALT LAKE, Sept. 18.—Pilot John L. Eaton, United States aerial mail service, reported lost in Nevada, arrived in Salt Lake at 1 o'clock yesterday afternoon at the Buena Vista field, carrying 211 pounds of mail. He made a good landing against a moderate wind.

Eaton reported his experience of being stranded in the Nevada desert after he had arrived at Salt Lake. He departed at 9 o'clock Tuesday morning from Reno, on his first trip between that city and Salt Lake. He had not gone far when he began to experience motor trouble. His compass was off and he was fifteen miles south of the proper route. Because his engine misfired, he lost altitude and when he descended to 500 feet, he decided to land.

Eaton landed in Butte Valley at 11:05 Tuesday morning, believing he would be picked up soon. For two days he was without food and had only the water in the radiator of the plane to drink. On the third day a shepherd who had seen the plane descend to the place because he "thought he would stroll over to see if he was all right." The shepherd then rode 40 miles to Ely to telegraph Mather field, Sacramento.

Eaton was picked up by Lieutenant R. Kelly who flew from Sacramento to Butte Valley. A mechanic adjusted the motor and Eaton took to the air again, landing at Ely at 10:55 o'clock yesterday morning. He arrived here two hours and five minutes later.

Eaton will leave for Reno with the mail plane today or tomorrow.
